

## **Sustainable Waste Solutions Supports the 41st Annual Wissahickon Creek Clean Up**

SOUDERTON, PA (April 27, 2011)—Sustainable Waste Solutions (SWS), a landfill-free waste and recycling company, announced that they have joined as a sponsor of the 41st Annual Wissahickon Creek Clean Up on April 30, 2011 beginning at 9 am.

The Wissahickon Creek Clean Up is a partnership of the Wissahickon Valley Watershed Association (WVWA) and the Friends of the Wissahickon (FOW) and together the two organizations will have volunteers will be cleaning the 21 miles of the Wissahickon Creek and its surrounding trails. SWS has provided a waste container for this unique annual community event.

Dieter Scheel, Business Development Manager of SWS stated, “We are pleased to be a sponsor of the Wissahickon Creek Clean Up and a partner of the Wissahickon Valley Watershed Association and its mission to protect the quality and beauty of the

Wissahickon Creek. As an environmentally conscious company, it is critical to support projects such as the Creek Clean Up in order to preserve our environment. ”

### **About Sustainable Waste Solutions**

Sustainable Waste Solutions, LLC, an environmentally green recycling and solid waste services company, is the first landfill-free waste company in our region. Its focus is converting trash to renewable energy. Headquartered in Montgomery County, Pennsylvania, Sustainable Waste Solutions serves its clients throughout Southeastern Pennsylvania, Lehigh Valley and Delaware.

### **About Friends of the Wissahickon and Wissahickon Valley Watershed Association**

FOW and WVWA share the common mission of protecting the health, beauty, and wildness of the Wissahickon Creek and are committed to making this beautiful, natural area available to the public. Both groups actively work to protect the land that surrounds the creek by eliminating invasive plants and replanting native species, controlling storm water runoff, and creating and maintaining trails. For more information about the Wissahickon Valley Watershed Association please visit [www.wvwa.org](http://www.wvwa.org).
