

## **Sustainable Waste Solutions Sponsors The American Cancer Society Relay for Life of Central Bucks Middle Schools**

SOUDERTON, PA (March 24, 2011)—Sustainable Waste Solutions (SWS), a landfill-free waste and recycling company, announced that they will be sponsoring the American Cancer Society Relay For Life of Central Bucks Middle Schools on May 21, 2011. The fundraiser is one of the most successful fundraisers for the American Cancer Society in the state of Pennsylvania. Since 2004 the district’s five middle schools have raised over 1.2 million dollars in the fight against cancer, including \$321,000 last year.

Woodrow, COO of SWS stated, “We are advocates of supporting our local communities to maintain the welfare and vitality of the people and families who live there. As a Central Bucks resident, I am personally pleased to support such a worthy organization as well as to support our students’ philanthropic effort.”

### **About Sustainable Waste Solutions**

Sustainable Waste Solutions, LLC, an environmentally green recycling and solid waste services company, is the first landfill-free waste company in our region. Its focus is converting trash to renewable energy. Headquartered in Montgomery County, Pennsylvania, Sustainable Waste Solutions serves its clients throughout Southeastern Pennsylvania, Lehigh Valley and Delaware.
